

Eligibility Guidelines

1. The Patient must be 18 years old or younger and a resident of the United States at the time of the application (or when accepted by "Children`s Roads To Recovery, Inc.").
2. Pediatric associated applicants whose illness occurred prior to eligible age restriction and have surpassed age eligibility will also be considered.
3. Patient must be seeking or receiving treatment or have been diagnosed with a life-threatening illness that requires treatment in an approved medical institution that participates in the study, treatment, and/or cure of life-threatening illnesses or critically injury in the United States of America.
4. Eligibility for services will be determined using the selection process established by the Board of Directors. * Urgent * Nature of Illness * Funds Needed
5. Eligible members of the family shall include: patient, mother, father, brother, sister, and/or in special circumstances, other extensions of the family that are deemed eligible (i.e., grandparent or legal guardian).
6. Patient and family members that are eligible for assistance must sign and date a release form stating that "Children`s Roads To Recovery, Inc." and/or any individual member of the Board of Directors is not responsible for any loss of life or injury resulting from any or all forms of transportation or related services chosen by "Children`s Roads To Recovery, Inc." and its individual Board members and service provider(s).
7. "Children`s Roads To Recovery, Inc." reserves the right to limit the amount of funds ranted to a patient and/or eligible members during the treatment or longevity of the illness based on information obtained by patient, eligible members, physician or social working staff and availability of funds.
